

## A 3\*campsite of low mountain range

The municipal three stars approved campsite is settled at the foot of Larmont. It enjoys a privileged environment, between city and mountain. It so combines **green setting** and proximity of shops, break and comfort.

The campsite is also an ideal starting point to discover the "Haut Doubs" region and its main touristic attractions (Castle of Joux, Tourist facility of Gounefay, Saint Point Lake...)

Whatever the season, **summer or winter**, the region offers various activities to the public: Bathing, hiking, mountain biking or horse trekking, cultural visits and so on. Alpine or Nordic skiing, snowshoes, sledge...
